6th Consultative Forum on microinsurance regulation
for insurance supervisory authorities and insurance practitioners
on
“Innovative products for the emerging consumer”

Afternoon of Wednesday May 11 and morning of Thursday May 12, 2016
in Marrakech, Morocco

Dear Madam, Dear Sir,

The 6th Consultative Forum will focus on the **development of appropriate products for low income clients**.

Innovative products in some markets can serve as models for others. On this basis, the [African Insurance Organisation](#), the [International Association of Insurance Supervisors](#), the [Microinsurance Network](#) and the [Access to Insurance Initiative](#) would like to invite you to discuss the development of appropriate and innovative products for low income clients in emerging consumers.

The **6th Consultative Forum** will take place on the sidelines of the [43rd AIO Conference and General Assembly](#). It is expected that approximately 60 high-ranking representatives from African insurance supervisory authorities and the industry will attend the event. The objective of the Forum is to bring about dialogue between supervisors and the industry, which is critical in fostering knowledge and sound policy making in the field of inclusive insurance.

We warmly invite you to enrich this seminar with your participation and contribution. Please mark the **afternoon of Wednesday May 11** and the **morning of Thursday May 12, 2016** in your calendar.

To participate in the Consultative Forum please [register at this link](#)

Yours faithfully,

Prisca Soares
African Insurance
Organisation

Yoshihiro Kawai

The International Association of Insurance Supervisors (IAIS)

The International Association of Insurance Supervisors (IAIS) is a voluntary membership organization of insurance supervisors and regulators from more than 200 jurisdictions in nearly 140 countries. The mission of the IAIS is to promote effective and globally consistent supervision of the insurance industry in order to develop and maintain fair, safe and stable insurance markets for the benefit and protection of policyholders and to contribute to global financial stability. www.iaisweb.org

The Access to insurance initiative (A2ii)

The Access to Insurance Initiative (A2ii) is a unique global partnership working with development agencies, insurance supervisors, international insurance bodies and local entities with the mission to inspire and support insurance supervisors to promote inclusive and responsible insurance. The A2ii is the implementation arm of the IAIS on financial inclusion, a partnership which provides close connections with insurance supervisors and regulators worldwide.
